Our delivery partner George Leslie will be carrying out this work on our behalf.

# Taking care of your water supply in Liberton

## What we are doing

We are conducting surveys of the network near your street to identify possible future work on the water network. This requires **closing a section of Orchardhead Road to all vehicles.**

## When are we doing it

**Work will start in Orchardhead Road on Sunday 19<sup>th</sup> April until Saturday 9<sup>th</sup> May.**

## What happens next

- Your water supply and drainage services from your kitchen and bathroom will not be affected by our work.
- Traffic Management will begin to be setup on the evening of Sun 19 April for our site team to arrive, who will work Mon – Fri with the traffic management removed on Sat 9 May.
- Pedestrian access to properties will be maintained, **however no vehicles or cyclists will be permitted within the road closure area between the Junction of Liberton Brae and 1 Orchardhead Road.** Please follow all signs put in place. (see overleaf)
- Your refuse collections with Council will remain unchanged, please continue to operate as normal as our site team will maintain their collection within the road closure.

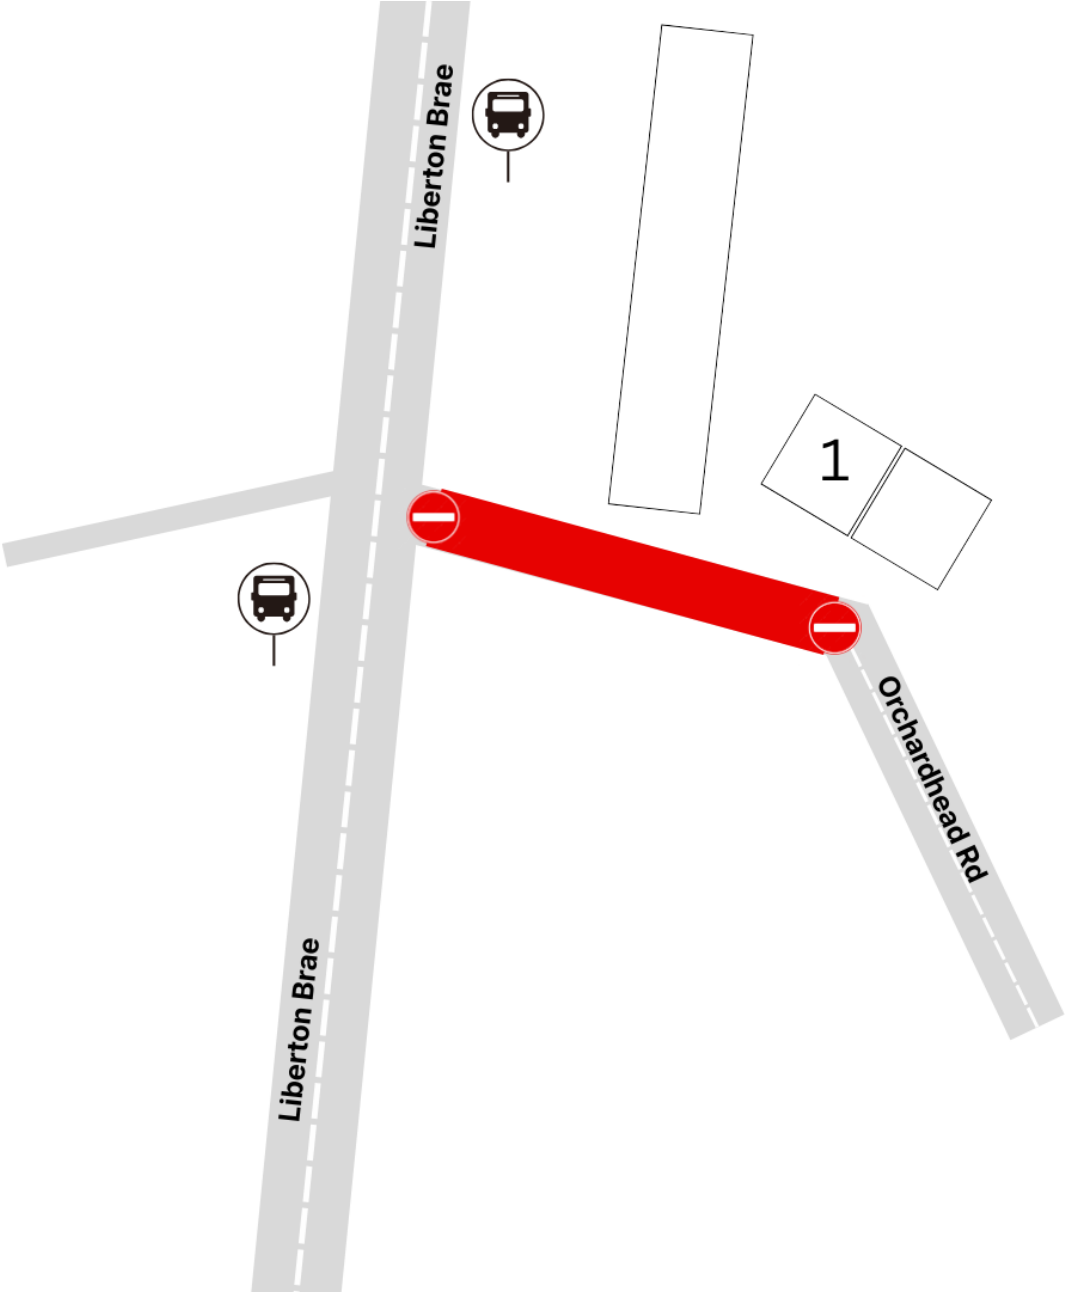

Thank you for your patience and understanding while we complete this essential work.

Callum Hunter  
Communication Manager
