# Taking care of your sewer network in Portlethen

## What we are doing

We are taking care of the waste water services in your community by upgrading the sewer network to help protect the environment of Portlethen.

---

## When are we doing it

**Work will start in Portlethen in mid-October 2026 and last approximately 9 months.**

---

## What happens next

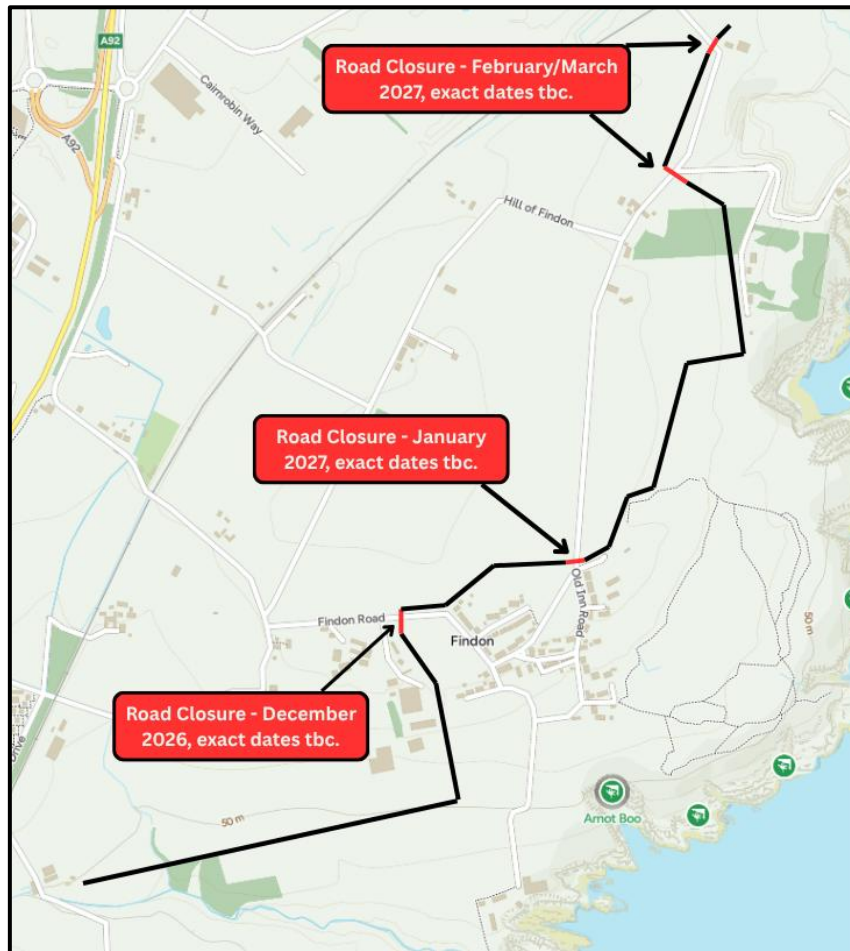

- Morrison Construction will be working in partnership with AG Wilson on behalf of Scottish Water to replace over 3km of deteriorating sewer infrastructure between Portlethen and Findon – see overleaf.
- As part of the work, we will need to close four sections of road for 5 days each – see overleaf.
- We will send communications throughout the project to detail our progress and provide exact dates for each closure and any other relevant information.
- Access to property will be unaffected unless otherwise agreed. Please follow all signs put in place.
- During the work you may notice some noise from construction equipment, and increased construction traffic. We will do our best to minimise disruption where possible.
- Your water supply and drainage services from your kitchen and bathroom should not be
